

44TH ALL INDIA CELL BIOLOGY CONFERENCE & INTERNATIONAL SYMPOSIUM

Title :
Molecular & Cellular Insights
of Human Diseases

September 2-3, 2022

Venue: Convocation complex, University of Kashmir

PROGRAMME SCHEDULE

Department of Biochemistry
University of Kashmir

(NAAC Accredited A⁺)

& Indian Society of Cell Biology

<http://mciohd.uok.edu.in/>

We gratefully acknowledge
the support of our sponsors:

DIAMOND

GOLD

SILVER

44th All India Cell Biology Conference & International Symposium

Title : Molecular & Cellular Insights of Human Diseases

PROGRAMME SCHEDULE

Registration: 7:30-8:45 am

DATE	TIME	PROGRAMME	REMARKS
Day 1 02-09-2022 (Friday)	9:00-9:10 am	INAUGURAL FUNCTION ▶ Welcome address by the Conference Convenor, Dr. Shajrul Amin , Head Deptt. of Biochemistry, University of Kashmir	
	9:10-9:20 am	▶ About the conference: Prof. Pradeep K. Burma , Vice President, Indian Society of Cell Biology	
	9:20-9:25 am	▶ Remarks by: Dr. Nisar Ahmad , Registrar, University of Kashmir	
	9:30-9:35 am	▶ Remarks by: Prof. Irshad A Nawchoo , Dean Research, University of Kashmir	
	9:35-9:40 am	▶ Remarks by: Prof. Farooq A Masoodi , Dean Academic Affairs, University of Kashmir	
	9:40-9:50 am	▶ Address by: Prof. Nilofar Khan , Chief Guest and Honourable Vice Chancellor, University of Kashmir	
	9.50-10:00 am	▶ Vote of Thanks: Dr. Shaida Andrabi , Organizing Secretary of the conference, University of Kashmir	
	10:00-10:30 am	Tea Break	
Session 1	10.30-11:15 am	Plenary Award Lecture - I Dr. Chandrima Shaha , President INSA, New Delhi Title: <i>Intracellular parasitism: succeed to survive</i>	Chairpersons: Prof. Bhupendra N Singh Prof. Zafar A Reshi
	11:15-1:00 pm	Invited Lecture 1: Prof. Sanjeev Galande , Shiv Nadar University, Delhi NCR Title: <i>Repurposing statins for colorectal cancer therapy</i>	Invited talks will be for 20 minutes followed by 5 min discussion.
		Invited lecture 2: Dr. Pritha Ray , ACTREC Tata Memorial Hospital, Mumbai Title: <i>Implication of active autophagic flux in chemoresistance and cancer stem cell differentiation</i>	
		Invited Lecture 3: Dr. Rashna Bhandari , CDFD Hyderabad Title: <i>Protein pyrophosphorylation- an enzyme independent posttranslational modification</i>	
		Invited Lecture 4: Prof. Vegesna Radha , CCMB Hyderabad Title: <i>RAPGEF1 orchestrates embryonic cell division and differentiation</i>	
	1:00-2:30 pm	Lunch Break	

44th All India Cell Biology Conference & International Symposium

Title : Molecular & Cellular Insights of Human Diseases

PROGRAMME SCHEDULE

DATE	TIME	PROGRAMME	REMARKS
Session 2	2.30-3:15 pm	Plenary Award Lecture - II Prof. Umesh Varshney, IISc Bangalore Title: <i>Initiator tRNA centric view of translation initiation and ribosome maturation in Escherichia coli</i>	Chairpersons: Prof. Jagat K Roy Prof. M.A. Zargar
	3.15-5:00 pm	Invited Lecture 5: Prof. Khurshid Andrabi, University of Kashmir Title: <i>Nutrition and energy signals converge onto S6K1 for the prospect of cellular growth and survival.</i>	Invited talks will be for 20 minutes followed by 5 min discussion.
		Invited Lecture 6: Prof. Jonathan Higgins, Newcastle University, UK Title: <i>Chromosomes, Kinases, and Cancer</i>	
		Invited Lecture 7: Dr. Nazir A Dar, University of Kashmir. Title: <i>For fueling cancer, NFKB attenuates the control of p53 on G6PD for promotion of pentose phosphate pathway</i>	
		Invited Lecture 8: Dr. Sagar Sengupta, NII New Delhi Title: <i>MITOL-dependent ubiquitylation negatively regulates the entry of PolA into mitochondria</i>	
	5.00-5:15 pm	Tea Break	
Session 3	5.15-:600 pm	Plenary Award Lecture - III Dr. Md. Imtaiyaz Hassan, Jamial Millia Islamia, New Delhi Title: <i>Design and development of potential MAP/ Microtubule-affinity regulating inhibitor kinase 4 inhibitors: Targeting microtubule dynamics to control cancer.</i>	Chairpersons: Dr. V. Radha Dr. M. Ashraf Dar
	6.00-6:50 pm	Invited Lecture 9: Dr. M. Ayub Qadri, Islamic University of Science and Technology, Kashmir Title: <i>Tête-à-Tête between Salmonella and the host</i>	Invited talks will be for 20 minutes followed by 5 min discussion.
		Invited Lecture 10: Dr. Aamir Nazir, CDRI, Lucknow Title: <i>Functional Genomics and Epigenetic Modifications in Neuronal Development, Degeneration and Repair: Studies Employing Transgenic C. elegans Model</i>	
	7.30-9:00 pm	Dinner	

44th All India Cell Biology Conference & International Symposium

Title : Molecular & Cellular Insights of Human Diseases

PROGRAMME SCHEDULE

Registration: 7:30-8:45 am

DATE	TIME	PROGRAMME	REMARKS
Day 2 03-09-2022 (Saturday)	9:00-10:00 am	Invited Lecture 11: Prof. Arshad Desai, UCSD, USA Title: <i>Time is (not) on your side: mitotic control of G1 progression</i>	Chairpersons: Prof. Pradeep K Burma Dr. M. Ayub Qadri
		Invited Lecture 12: Prof. L. S. Shashidhara, Ashoka University, Sonipat. Title: <i>Cell biology of organ development: a case study - specification of wing and halter development in Drosophila</i>	
	10.00-10:30 am	Tea Break	
Session 5	10:30-11:50 am	Each talk will be for 8 minutes. Oral presentation 1: Hilal Ahmed Reshi Oral presentation 2: Debabrata Jana Oral presentation 3: Saurav Dutta Oral presentation 4: Rouf Thakur Oral presentation 5: Anakshi Gayen Oral presentation 6: Riffat Khanum Oral presentation 7: Zeba Rizvi	Chairpersons: Prof. S K Rath Dr. F. A. Khanday Total question time for the session: 15 minutes
	12.00-1:00 pm	i) Poster session-I (Convocation Complex gallery) ii) Online posters	
	1.00-2:00	Lunch Break	
	2:00-3:30 pm	I) Poster session - II (Convocation Complex gallery) ii) Online posters Sponsor Talks (10 minutes each) 1. Dr. Romsha Kumar: B.D Biosciences 2. Dr. Madhujit Damle: Molecular Devices	
	4.30-5.30 pm	Valedictory Function: Award declaration (for presentations and posters) and closing ceremony Prof. Akbar Masood, Honourable Vice Chancellor, BGSB University, Rajouri will be the Chief Guest. Prof. Zafar A Reshi, Prof. Pradeep K Burma, and Prof. Bhupendra N. Singh will be the Guests of Honour
